

#### **BROKER'S COMMENTS**

This beautiful Hanse 470E is in good condition and is well equipped and has had many parts replaced in the last 3 years. Large and secure cockpit rigged for short-handed sailing, with 3 electric winch, self-tacking jib and retractable bow thruster, plus a more powerful engine. The popular layout with a double bed in the center line at the front and two double beds at the back. Ideal for performance sailing & cruises with family and friends. The yacht is in Greece and can be visited by appointment.
