HEESEN 90

BROKER'S COMMENTS

Heesen 90 "L'ami" built at the well-known Heesen Shipyard in 1979. Aluminum hull and superstructure, two MAN diesel engines installed in 1997. Lengthened in 1984, aft ship rebuilt in 1989 and completely new painted in 2020. Furthermore, she is CVO certified to sail the European inland waterways (excluding the Rhine). A real family yacht or suitable for charter because of her 7 cabin layout. Continuously well maintained motor yacht.

Jochem Heijermans
