## BROKER'S COMMENTS

What can you say about a Bavaria 36 that has not been said before? A comfortable cruiser from one of Europe's best known builders, in a popular size category and with a very good price/performance ratio. This example is the two cabin version with only two owners since new. The current owners had planned to take her on a long sailing adventure, but due to personal reasons these plans have changed and they are now looking for a new owner for the 'Zeeuwind'. Please make an appointment with De Valk Zeeland to view this Bavaria 36 in Zeeland.
