## BROKER'S COMMENTS

"Rodman Muse 74," constructed in 2012 and owned by its original proprietor, remains in exceptional condition with excellent maintenance. The yacht's 450 engine hours have been accumulated through trial sails with potential buyers, ensuring the engines are well-tested. The interior, crafted from the finest oak wood and premium materials, accommodates 8 guests across 4 cabins and 3 crew members in 2 cabins. Having only been used for demonstrations, the yacht is essentially "as new." "Rodman Muse 74" is ready to sail and eager to take you to the most beautiful spots on the water in pure luxury."
