BROKER'S COMMENTS

This yacht is owned by one of the principles of Rodman and is kept in showroom condition. The boat was put on water in December 2005 (ES ROD 64008 I405). She was only used for boat shows, sea trials with potential clients and as representative boat; never sold or registered. She has every engine checking done on due date by the official MAN service. Had never had any incident. Hours: 775 hours on main engines and 970 hours on generator. If you contact me I can send you special brochures of the Yacht
