DEHLER 41 DS

BROKER'S COMMENTS

"Upon introduction the innovative Dehler 41DS model won 1st prize as European Yacht of the Year. The Dehler 41DS was, and still is, in many ways ahead of her time. The well designed deck-saloon comes with a generous U-shaped sofa and panoramic views. It also opens up a wealth of storage space for the couple that wants to go all weather cruising. Not compromising on sail performance and handling, the cockpit is designed for effortless short-handed sailing, with two electric winches and no need for leaving the safe cockpit. Has received numerous upgrades. Located in Calais, EU VAT paid."
