BROKER'S COMMENTS

"This Bavaria 34 is an excellent choice for those looking for a versatile and reliable mid-size cruiser with good sailing and engine performance. The model is known for its sturdiness and comfort. Its interior design maximises the space available, making it ideal for long journeys or weekend outings. This sailboat offers stability and good handling in calm seas as well as in rougher conditions thanks to its balanced design. Currently laying on dry in A Coruña."
