SUCCES 1000 ULTRA SPECIAL

BROKER'S COMMENTS

Inside, the vessel is particularly beautifully laid out especially with the ceiling finish in the saloon in teak. Within foreship generous round seating which converts with matching mattresses into a spacious galley 2-bed. In the stern is near separate shower and toilet area, a 2-French bed which with pressure springs up end as large storage functional. The engine room is well insulated by thick insulation boards in the engine room and bilge.
