VIKNES 1030

BROKER'S COMMENTS

The Viknes range is widely appreciated for more than one reason. Sturdy, safe construction, Scandinavian quality, reliable seakeeping in comfort all represented in an open cockpit sedan concept. In a slightly different version, the same hull is also used for professional fishing around the Norwegian fjords. Safety and reliability are the top priority. The classic mahogany wood finish will certainly appeal. This Viknes 1030 has an extended bathing platform, bow and stern thruster, a powerful Yanmar diesel, fine owner's and guest cabin and saloon with free 360 degree view all around.
