<b>Extra info</b>	A wide-opening sunroof and an immense exterior access set the tone: the S-Line has been designed to enable all on board to take full advantage of the sea and to connect with the natural elements. Seated or standing, the helmsperson takes position in an elegant leather pilot seat. Conditions are ideal for slicing through the waves, in safety and comfort, even at high speeds. An invitation to test the limits...
<b>Extra info</b>	Meticulous attention to the selection of materials, to finishes, and more generally to a harmonious design, are distinctive characteristics of the S-Line. The elegant combination of Dolce upholstery on the sofas and white oak woodwork, paired with light lines in the teak floors and with Corian work surfaces, creates a warm, inviting atmosphere and contributes additional character and refinement to cruising.

<b>Extra info</b>	Augmented Reality For those cruising the Prestige 520S can enjoy modern navigation equipment in the form of large touchscreens from Raymarine for navigation functions, chartplotter and the present camera system for good visibility behind the ship. The ultimate in that field is Raymarine's 'Augmented Reality' system where information from the AIS, navigation buoys objects and waypoints are projected onto the camera image. It provides a very realistic picture of what is in front and behind the ship.
<b>Extra info</b>	Seasoned cruisers will welcome the engine options on this S line. All the latest technology to facilitate cruising is available – electronics pack, multiple displays, joystick control – but without a doubt, they will also be impressed by superior handling and cruising pleasure, that of driving a superb, sporty, leather-wrapped stainless steel steering wheel while comfortably seated at the helm.
