## BROKER'S COMMENTS

This 2003 Najad 460 is a well-maintained example of this highly respected bluewater cruising yacht design. The Najad 460 is known for its strength, comfort, safety and long-range capabilities. "Julo" sailed intensively over the past eight years and her current condition is a testament to her built quality and finish. While "Julo" carries the signs of serious sailing, she remains in very good overall condition. The asking price reflects her current state and offers the next owner the opportunity to invest and prepare her for a new chapter of voyages and adventures.
