

RAPSODY 29 OC-F

BROKER'S COMMENTS

This beautiful, classically lined Rapsody 29 OC-F with a polyester hull. The ship has been neatly maintained and in 2017/2018 completely revarnished. Since then, this has been neatly maintained every winter, which is also reflected in the condition of the ship. Every winter the boat has been inside in heated storage. Furthermore, she is equipped with a Side Power bow thruster and a Volkswagen engine of 120 hp. Also, the cabin can be arranged to sleep comfortably. As of today, the ship can be viewed in our indoor sales marina.
