MITCHELL 31 MKIII

BROKER'S COMMENTS

The Mitchell MK III is an excellent, fast and comfortable sailing motorboat. Built in England and later the interior was completely redone and very neatly made in the Netherlands. The boat has two large diesel engines, which means she sails safely and quickly and is easy to maneuver. It is easy to sail on large water as well as in small areas, especially because the boat is not high above the water. She has an excellent sleeping area, toilet, excellent kitchen and a nice pilot salon from which you can look outside. The boat is located in middle of the Netherlands can be viewed by appointment.
