FOUNTAINE PAJOT ASTREA 42

BROKER'S COMMENTS

When Fountaine Pajot designed the 42 Astrea their objective was clear: to offer the best combination of aesthetics, comfort and seaworthiness in a 42-foot catamaran. The result has exceeded expectations. Not only is her sleek silhouette easy on the eye, but the Astrea 42 is packed with features and fittings that you would typically only find on much larger catamarans. However, at 12.58 metres, she is still very easy to handle, and whoever takes the helm experiences a true connection with the boat while being right next to the sundeck where guests can keep them company.
