

NORDIA 70 PERFORMANCE CRUISER

NORDIA 70 PERFORMANCE CRUISER

BROKER'S COMMENTS

True to her name and one of few hulls ever built, this 70' Nordia Performance Cruiser is the only example on the market in immaculate condition. Built in pedigree aluminium with a full carbon mast and boom, she delivers fast, safe, and reliable offshore performance. Her raised deckhouse offers excellent visibility and protection, while below deck you'll find 4 spacious en-suite cabins and a bright, contemporary interior that showcases Van Dam Nordia's hallmark Dutch craftsmanship. Benefiting from a major 2025 refit with zero costs spared, she is EU VAT paid and ready to sail

Oliver Stehula
