SEALINE S330

BROKER'S COMMENTS

"A beautiful Sealine S330 with year of construction 2016. This fast motorboat is equipped with two Volvo Penta engines of 220 hp each. The control system has been expanded with a bow thruster and joystick steering. With the joystick, docking has really become a piece of cake. The interior is beautifully finished. The two cabins are equipped with double beds. The spacious bathroom has a toilet and shower. In the cockpit is a nice grill with sink, so outdoor cooking is also possible. This ship is now available for viewing in Loosdrecht. Make an appointment soon!"
