## BROKER'S COMMENTS

A beautiful Sealine S330 with year of construction 2016. This fast motorboat is equipped with two Volvo Penta engines of 220 hp each. The control system has been expanded with a bow thruster and joystick steering. With the joystick, docking has really become a piece of cake. The interior is beautifully finished. The two cabins are equipped with double beds. The spacious bathroom has a toilet and shower. In the cockpit is a nice grill with sink, so outdoor cooking is also possible. This ship is now available for viewing in Loosdrecht. Make an appointment soon!
