CRANCHI ENDURANCE 41

BROKER'S COMMENTS

This Cranchi Endurance 41 is a superb and cost-effective way to get on the water this summer. She's powered by twin Volvo Penta engines, including a brand-new starboard engine installed in 2024, a major upgrade that significantly enhances the yacht's long-term value. The aft deck features a wet bar, grill, and fridge, making it ideal for alfresco dining and entertaining. Commercially registered, she comes with a well-established charter operation and a base of repeat clients, offering immediate income potential. Equally, she can be enjoyed as a private yacht, making her a versatile option.

Tom Kingham
