LOCHIN 333 HARBOUR PILOT

LOCHIN 333 HARBOUR PILOT

BROKER'S COMMENTS

This Lochin 333 Harbour Pilot of the original owner provides spritely performance with a modicum of accommodation and a large wheelhouse space. The cockpit is very spacious and can be used for fishing, diving and survey work. This Lochin 333 has had light commercial use that consisted of day fishing trip charters. The sea keeping qualities of the Lochin 333 hull are legendary, confirmed by their use for many commercial applications including lifeboats! The advertised price is ex. VAT. Sale of the company that owns the boat is negotiable.

Nick Lanting
