BROKER'S COMMENTS

CURIOSITY is a luxurious and strong 25-meter yacht, built in by Horizon. She has a unique layout on the main deck, integrating the salon, the dining area and the modern galley into one large space. Next to the bridge, you will find the stairs leading down to one large state room and 3 comfy guest cabins, all in suite. A large 4 crew area astern. The huge fly deck area has access from both the salon and the 21 m2 large aft deck. The yacht's fabulous layout and many upgrades are spot-on. For the entire family to enjoy. Well maintained and ready for the season. Berth available.
