GALEON 530 FLY

BROKER'S COMMENTS

This well-maintained Galeon 530 Fly from 2007 is a spacious and comfortable flybridge yacht with excellent sailing characteristics, powered by 2× Volvo Penta D12-800 engines. She has benefited from several upgrades, including new upholstery, davits, and a renewed radio system, contributing to a well-kept appearance. Below deck, the generous layout immediately stands out with a full-beam master cabin, offering exceptional space and comfort across the full width of the vessel. The Galeon 530 Fly combines luxury, space, and powerful performance and is available for viewing in center Netherlands.

Joris van de Rijt
