## BROKER'S COMMENTS

A well kept Westbas 29 Offshore sold by her first owner. This Westbas 29 Offshore is a very practical Scandinavian built motoryacht. Either to be used on the in- or offshore waters. She has ample accommodations below decks with two seperate cabins, large wheelhouse with good headroom and comfortable cockpit. Low enough for passing bridges, sturdy enough for a quick coastal hop to the next port of call. Nicely kitted out she has a heating, hot water, bowthruster, fridge, etc. A complete service file available. Can be inspected in our salesmarina in Sneek.
