# LONG ISLAND 29 HARDTOP

## BROKER'S COMMENTS

"Looking for the ultimate boat for a day out with friends? Then this Long Island 29 Hardtop is the perfect choice. With a spacious cockpit, this Long Island offers plenty of seating. The propulsion is provided by a Yanmar V8 diesel engine delivering 370 hp, allowing speeds of up to 25 knots. Maneuvering is easy with the Yanmar joystick control. This yacht has only been used for some sea trials (only 40 hours). Would you like to view this Long Island? Then visit our office in Loosdrecht."
