

CUSTOM BUILT HOUSEBOAT LUXE MOTOR

CUSTOM BUILT HOUSEBOAT LUXE MOTOR

BROKER'S COMMENTS

The Bonnemo Luna is a completely self-sufficient luxury houseboat. A large number of well-thought-out details, high-quality craftsmanship and a great deal of attention to detail make this floating luxury resort a truly unique piece. The technical equipment with photovoltaic system, heat pump heating, fresh water production, grey and black water purification system, etc. corresponds to the current possibilities of building technology.

Ralph Weil
