

CUSTOM BUILT HOUSEBOAT LUXE MOTOR

CUSTOM BUILT HOUSEBOAT LUXE MOTOR

BROKER'S COMMENTS

The Bonnemo Luna is a completely self-sufficient luxury houseboat. A large number of well-thought-out details, high-quality craftsmanship and a great deal of attention to detail make this floating luxury resort a truly unique piece. The technical equipment with photovoltaic system, heat pump heating, fresh water production, grey and black water purification system, etc. corresponds to the current possibilities of building technology.
