

STEVENS COLUMBUS KOTTER 1000

BROKER'S COMMENTS

This beautiful Stevens Columbus Cutter features a neat teak interior and an owner's cabin in the stern. In the bow, additional sleeping space can be created for 2 persons by converting the round seat. The boat is equipped with 2 steering positions positioned in the saloon and on the aft deck. The aft deck is also equipped with a bimini. This Stevens Columbus Cutter is technically delivered by Stevens Nautical and is finished by the owner. Because of this there is no CE mark present on the vessel.
