BRANDSMA VLET 1050/ 1100 OK

BROKER'S COMMENTS

This Brandsma Vlet 10.50 OK is built for the water sports enthusiast who wants to enjoy all the beauty that the water has to offer from early spring to late autumn. Equipped with good insulation, double glazing, and a generously sized diesel air heating system, the boat remains comfortable at all times. The large open cockpit with folding doors gives the boat an extra sense of space. Its low air draft of 2.50 meters allows you to pass under bridges where others have to wait. The boat is equipped with both a bow and stern thruster and refitted by Brandsma 2023. Visit her at our sales harbor.
