NAUTOR SWAN 60

BROKER'S COMMENTS

The Swan 60 is a true racer-cruiser model optimised for both, featuring a carbon hull, mast, and PBO rigging, along with fully electric winches for 3 people to easily shorthand sail her. The flared topsides enhance hiking for competitive sailors but racing aesthetics aside, the spacious cockpit will comfortably seat 10 for champagne sailing. Below decks, the yacht has been finished to the highest level, with a very practical and well thought out galley for weeks at sea. All three cabins have an en-suite bathroom and both the rear cabins have twin beds that can be easily converted into doubles!
