#### **BROKER'S COMMENTS**

The Athena 44 is a late ORC style cruising yacht. She offers fine sailing abilities as well as roomy interior with 4 cabins plus a separate marinero cabin. This yacht has been in long term private ownership. As her hull has received an expensive anti osmosis treatment in 2012, it is now better than new. Very recommended for some one looking for a lots of boat at a reasonable price. Located northern Germany.
