

## LAGOON 42

## BROKER'S COMMENTS

The Lagoon 42 "Free Spirit" is a hardly used catamaran that is as good as new and she stands out for both her condition and equipment, she has never chartered and has almost zero hours on the engines. The lagoon 42 "Free Spirit" is ready for immediate sailing but you will need to install the cockpit dodger as the brand new cover has not even been installed yet. The lagoon 42 "Free Spirit" comes electric winches, watermaker, solar panels, Litiumlon batteries and many other high end feautres for short handed long distance autonomus sailing. Uniquely located in Northern Europe in Hindeloopen.
