COLIN ARCHER BRONSVEEN 1500

BROKER'S COMMENTS

This sturdy Colin Archer 1500 built by Bronsveen is an all weather type of blue water sailingyacht and a fine combination of excellent sailing characteristics, comfort and classic style. A large deck saloon and galley and spacious sitting area, together with 2 large, double bed cabins and separate bunk beds makes her ideal for living on board or a trip around the globe. A tasteful and beautifully finished teak interior with fine paneling and a rich upholstery will make you feel at home instantly. With her new sails from 2016 and recently renewed navigation equipment 'Janna' is ready to go.
