## BROKER'S COMMENTS

Classic sailing yacht 'Mees Toxopeus', a ship with a beautiful line and a well-known appearance on Dutch waters. Versatile cruising ship, spacious, seaworthy, and also suitable for shallow water due to the centreboard. Made many cruises, from Norway to Spain, from Ireland to Finland and on the Wadden Sea. A ship with history. Always well maintained and improved over the years. Rigging plan by Willem de Vries Lentsch. Complete refit in 2006-2008 under the design and project management of Olivier van Meer at Ventis in Enkhuizen.

*Reinier van der Wolf*

<b>Year built</b>	1942
<b>Launched</b>	<p>History The 'Mees Toxopeus' is a design by J.P.G. Thiebout. Construction started in 1942 at the Schouten shipyard in Muiden. The original drawings can be found in the National Maritime Museum in Amsterdam. Construction was halted later in 1942 because of the war. Probably the hull was then sunk in Zaandam. After the liberation, the hull was lifted and bought by the Niestern shipyard in Delfzijl, and transferred to Delfzijl or Groningen. In the early 50s, the ship was completed there under the supervision of Mees Toxopeus himself. He received it on loan from Niestern and sailed under the name 'Unie'. Over the years, various improvements have been made to hull, equipment and rigging, mostly at Jachtwerf Stofberg in Leimuiden and later Enkhuizen. The current rigging from 1985 is a design by Willem de Vries Lentsch. Hull and deck were sandblasted in 2000-2001. In 2006-2008, a major refit was carried out at Ventis in Enkhuizen according to design and under project management by Olivier van Meer. The work list consisted of: installation of a new centreboard and centreboard case, new aluminum cockpit, new Nanni diesel engine, completely new interior and installations, new navigation equipment. In 2012 and 2015 the sails were improved and enlarged. The sail area is now 100 m2. The hull was repainted in 2023, deck and superstructure in 2025. In the last year, the gearbox has also been overhauled and the engine mounts renewed.</p>
