MOODY 54

BROKER'S COMMENTS

This Moody 54, built by Princess and designed by Bill Dixon for comfortable and safe blue water cruising with 3 luxurious cabins and spacious living areas under and above deck, make living on board a treat. Stepping inside her raised saloon, the top quality and elegant finish and practical layout is very notable. Well maintained and equipped by her skipper, only used in the summer around Sardinia by her first owner. She is worth a visit.
