## BROKER'S COMMENTS

This 38 Cruiser version, with lifting keel, offers three partitioned cabins. Thanks to the possibility of taking out the partition of the front cabin to make it completely open. A large kitchen faces the lounge area, which can seat up to six people. She offers a performance to habitability ratio second to none on this size of cruising yacht with her wide cockpit and single-handed layout. Well equipped with very little use and plenty of practical adjustments for comfort and safety. Available in South Spain.
