BROKER'S COMMENTS

The Ladenstein 68 ‘BALTIC PEARL’ is a beautiful ship and a technical masterpiece. The current second owner carried out a complete refit in 2018. So far, she has only completed around 713 operating hours and is therefore technically in perfect condition. The BALTIC PEARL is designed for 12 people plus crew and has three cabins + crew with seven berths and three toilets. She is powered by two 1,000 hp MTU V12 engines and can manoeuvre in even the smallest spaces thanks to her bow thruster.
