ALTENA BLUE WATER TRAWLER 48

BROKER'S COMMENTS

Altena Blue Water Trawler 48. A sturdy lined vessel with good sailing characteristics. The boat is equipped with central heating, well insulated, hydraulic bow and stern propeller, hydraulic windlass, and generator, inside steering position & flybridge. Unfortunately, this beautifully lined vessel has overdue maintenance, reason for the competitive asking price. Come and inspect the Altena BWT48 at our sales marina in Sneek.
