CLIPPER 40 HERITAGE TRAWLER

BROKER'S COMMENTS

The Clipper 40 Heritage is a "Europe" styled trawler, known for its classic lines. The semi-displacement hull, excellent range and economy, make her ideal for long-distance and coastal cruising. Key features typically include a solid strong fiberglass hull, a single-engine, economical diesel propulsion system, a bow and stern thruster for easy manoeuvrability, covered walk-around side decks, a large flybridge, and comfortable two cabin accommodation. All in a beautiful like new condition and simply superbly maintained. The berth on Menorca can be discussed.
