ADMIRAL YACHTS 34

BROKER'S COMMENTS

The Admiral 34 with her sleek design of the superstructure and v-hull sportive lines, still looks like a modern "smokey" sea-beauty. The exclusive "Italian design" interiors, thanks to the fine woods finishing and carving are warm and cozy, giving an all-around pleasant classic feeling. M/Y "Ammiraglio" it's been maintained professionally through the years sparing no expenses.Unfortunately, during the last extensive winter refit, the owner passed away and the refit left partially completed. Now is in need of fresh investment to get back to the original splendour. Great deal not to be missed
