BROKER'S COMMENTS

The Salona 40 was built by AD Yachts in Croatia and designed by J&J yachts. Whilst she is a performance cruiser she does not lack space and comfort with a very large saloon and galley with ample dining area and plenty of accommodation for 6 persons in 3 double cabins. Over the last year she has had a new rig, new sails, new electronics, new solar panels, new outboard & dinghy, new batteries, new life raft and is ready now for her new adventure.
