BENETEAU SWIFT TRAWLER 35

BROKER'S COMMENTS

The Beneteau Swift Trawler 35 is a beautifully designed motor yacht. She sails excellently with the strong engine, which has a speed of 19 knots, but can also sail very quietly, using a little diesel. There is plenty of seating space inside, in the cockpit and above in the flybridge. Many extra parts have been supplied to this yacht from the start. This yacht is recent and very well maintained. The boat is located in the southwest of the Netherlands, in Tholen. When you want to visit the boat, make an appointment for the viewing.
