# HELLWIG MILOS V630 FULL ELECTRIC

## BROKER'S COMMENTS

The Hellwig Milos V630 Full Electric handles like a purebred, combustion-powered sports boat thanks to the combination of an electric motor and a proven Z-drive, installed in a beautifully crafted package. The programmable speed settings and integrated range indicator are particularly impressive. It is an attractive combination of comfort, driving pleasure, and sustainability. ! Trailer included !

*Ralph Weil*
