BROKER'S COMMENTS

This Super Maramu 53 lives up to the high standards in robustness and reliability that the Amel's are known for. Everything is pragmatically thought out to be in place for comfortable and enduring single-handed sailing. The spacious and very comfortable 3 cabin accommodation has been very well kept and is equipped for longer stays onboard. The exterior is in good condition and seem in some aspects as new considering the age of the yacht. Carefully maintained over the years, but with a few jobs pending. Can be viewed in Barcelona.
