AQUADOR AQ35

BROKER'S COMMENTS

The Aquador AQ35 is the ideal cruiser for a crew of four. This well-maintained, young yacht is fast and sporty, but also handles very well in displacement. Thanks to the joystick steering, it is perfectly manageable. The large electric sunroof is a highlight, and the door to the starboard side deck is very practical when maneuvering. The electric sunroof over the cockpit is another special feature, as is the connection between the cockpit and saloon table.
