GALLART 45 FLY

BROKER'S COMMENTS

The Gallart 45 is known for its robust construction and large interior volume for a 45 ft yacht with a flybridge; ideal for the Mediterranean. She is twin diesel shaft driven with a serviceable access arrangement with large fuel and water capacity for long distance cruising. There is more than ample exterior space, which is sometimes sacrificed with more modern yacht designs. Please see the inventory below for all her recent updates.

Zoë Ann Clark
