#### **BROKER'S COMMENTS**

Designed by Germán Frers, the newer Hallberg Rassy 37 was the logical next step replacing the successful 36: more spacious, modern and with improved sailing characteristics. You can expect top quality in construction and finishing from Hallberg-Rassy. This 37-footer has been equipped with many recent upgrades, including extra sails, modern electronics and extra equipment. With three electric winches, operation is effortless. We sold her at the end of last year and is available again due to unexpected circumstances. Always well maintained, stored indoors during the winter and surveyed.
