PACIFIC PRESTIGE 200

BROKER'S COMMENTS

The Pacific Prestige 200, a remarkable creation of Dutch engineering, exemplifies unparalleled craftmanship and is meticulously designed for extended oceanic voyages. Powered by Heavy-Duty Volvo D9-425 engine, this Pacific Prestige 200 combines exceptional performance with durability, featuring fins stabilizers and hydraulic bow and stern thrusters. The engine is down-rated for longevity, with an impressive lifespan exceeding 50,000 hours.

Valerio Biondi
