HANSE 350

BROKER'S COMMENTS

The Hanse 350 was designed by Judel/Vrolijk and features a modern hull with a straight stem and minimal overhangs, giving it a sporty appearance. It offers ample space below deck, enhanced by generous windows and hatches. The yacht is equipped with a self-tacking jib track system for easy operation but can also be set with overlapping headsails. The cockpit is spacious and offers comfortable seating for the helmsman and crew. She crossed the Atlantic and is now available in South Spain.
