DOGGERSBANK 1080

BROKER'S COMMENTS

Doggersbank 1080 is a solid and efficiently built boat with timeless classic lines. Complete with radar, inverter and generator, as well as a hydraulic deck wash pump, bow thruster and anchor winch. The cockpit has a second steering position. All seacocks, heat exchangers, structural draughts, pumps and much more were renewed in 2024. Both technically and constructively, this is a particularly robust and generously equipped ship. A visit is definitely worthwhile.

Hartmut Ross
