JEANNEAU LEADER 8

BROKER'S COMMENTS

The Leader 8 is a compact boat that offers plenty of space. In addition to the driver and passenger benches, it also has a portside seating area. It has a pleasant handling, dives smoothly into the waves, and even tight turns are no problem. Below deck, the motto "small is beautiful" applies. The "Oyster" has an amazing saloon and, with a fully equipped galley and a separate head, offers everything you need for a long weekend. The spacious midship cabin, with a comfortable underfloor double berth, is separated by a door. All in all, a well-designed compact cabin boat.
