BROKER'S COMMENTS

The 25-meter Gulet offers a perfect blend of classic craftsmanship and modern comfort. Built primarily from high-quality wood, it delivers a warm, elegant atmosphere ideal for charter cruises or private ownership. With an average capacity for 14 guests, the vessel typically includes 7 spacious cabins, each with en-suite bathrooms, air conditioning, and tasteful interiors. On deck, the wide aft dining area and sunbathing space at the bow provide plenty of room for relaxation.
